QUE TAN LE
PRIMARY EXAMINER

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 1, on line 4, "imaging devices (RCIDs)" has been changed to "imaging device (RCID)".

In claim 6, on line 4, "imaging devices (RCIDs)" has been changed to "imaging device (RCID)".

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a portable camera controller and its method, among other features, comprising: a flash memory having an infrared command library with at least one command associated with a remotely controllable imaging device; a processor receiving the infrared command library and directing the command library to an infrared encoder; an infrared emitter connected to the encoder for transmitting the command library, wherein receipt of the infrared command associated with the remotely controllable imaging device by the imaging device interferes with the recording of a visual image by the remotely controllable imaging device. The prior art of record also fails to teach a method for thwarting the recording of a visual image using a portable camera controller comprising: generating a timing pulse; in response to the pulse,
